# SRI AHOBILA MATH

## AN APPEAL

### Creation of 'Sri Vishnupadham' – Facility for Aparā Karyam & Sradha Rituals at Hyderabad

Blessings from Sri Lakshminrusimhan & His Holiness 46th Jeeyar of Sri Ahobila Math.

The rituals for satiating the departed soul after a person passes away, post cremation require certain specific facilities in a somewhat secluded & sheltered space with serene atmosphere. These rituals are generally performed any day from the 2nd or the 9th day upto 13th day after the death of a person, in order to mark the smooth departure of the soul up to its reaching *Sri Vaikuntam*.

Understanding the need for Aparā Karyam facilities, Sri Ahobila Math, under the guidance of His Holiness, has been working on providing a comprehensive facility in Hyderabad. The Government of Telangana has been kind to provide land on lease for creating necessary infrastructure. Named '**Sri Vishnupadham**', the Complex will have comprehensive facility with the required infrastructure to perform the rituals that include *Shilasthapanam*, *Dasaham*, *Ananda Homam*, *Sapindi-karanam*, *Shanti Homam*, etc., concluding with Subham. It is also proposed to construct a small shrine adjoining the Subham Hall. We also plan to add facilities for annual Sradha Kainkaryam.

This noble Project is estimated to cost around Rupees Two crore. We request Asthikas, Abhimanis, Sishyas, and philanthropists to kindly participate in this Project and donate for creating this facility which will benefit thousands of families.

Cheques may please be drawn in favour of Sri Ahobila Math and sent to the Manager, **Sri Ahobila Math, DD Colony, Hyderabad-500 013**. (Ph: 27423043/27421212/).
